

Kobe Port Island Sports Center

Regarding the stadiums

Kobe Port Island Sports Center is a full-scale sports facility where sports classes and conventions are held. There is a 25m heated pool and a 50m swimming pool, with a skating facility in the establishment (please check business hours, and be sure to wear a swimming cap before entering the pool and gloves when on the skating rink). The 25m pool can be used throughout the year. A children's pool is also available, so that the whole family can enjoy their time here! Please note that the skating rink is available only in winter, and the 50m pool only during summer. Pre-games training camps for the Olympic Games and Swimming races of the World Masters Games 2021 Kansai will be held at this center.

Accessibility for people with disabilities

The sidewalk in Port Island Area is developed and is flat. All the stations of the Port Liner trains have wheelchair-accessible restrooms and elevators. There is an overhead walkway extending from south to north through the area. You can use one of elevators installed at several places in order to go up to the walkway. At certain areas along the way, there are tactile pavings for visually impaired persons.

Direction from Sannomiya

■ Access

From Sannomiya Station, take the Port Liner and get off at Shimin Hiroba Station.

■ Getting Assistance at the Station

If you need assistance, go to the station staff member at the ticket gate (reservation not needed). Mention your destination or any request that you may have. On the train, you will find an area for wheelchair users.

■ Accessible Facilities at the Station
Both Sannomiya Station and Shimin Hiroba Station have wheelchair-accessible restrooms and elevators.

■ How to Obtain Discount Tickets
To get a discount, show your disability certificate to the station staff. Check the website for more details.

Portable Wheelchair Ramp

You can check the accessibility information with the App, WheelLog!

You can access the restaurant via a flat sidewalk after you arrive at the first floor of the station.

To go to the Sports Center from the train station, use the elevator to go down to the first floor where there is a flat sidewalk. There are tactile pavings throughout.

You need to take a detour on the side of the building to reach the entrance. Also, the street in front of the hotel is busy with cars as it is connected to a parking lot.

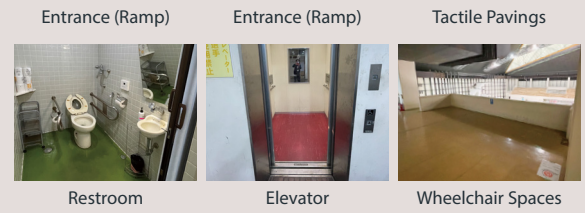

It is recommended that you enter from the Kobe Chamber of Commerce and Industry situated on the same level and proceed to the hotel by going through the building.

After you exit from the east gate of the station, you have direct access to the hotel via an overhead sidewalk. The overhead sidewalk has a gentle uphill.
